TIGER-GUARD
SMART VIDEO DOORBELL
with
WIRELESS CHIME

The Tiger-Guard Smart Wi-Fi Video Doorbell is the 'eyes and ears' of your front door and allows you to see, hear, and speak to visitors at your front door on your Smartphone, whether you're at home, at work, or on vacation. It's a doorbell, a HD video camera, a motion sensor and an intercom phone - all rolled into one beautiful looking device.

When a visitor rings the doorbell, you receive an immediate notification and can see your visitors in clear 720P HD video, and hear and speak to them with two-way audio on your Smartphone.

Features:
- See, hear and speak to visitors on a video call from your Smartphone in clear, 720P HD Video, 110 degree wide angle with 4X Zoom
- Get instant notifications when a visitor presses your doorbell
- Motion sensor detects suspicious strangers, even if they don't ring the doorbell
- Powerful night vision capabilities to protect your home – day or night
- On-demand viewing - it's 'always on' so you can view anytime
- Weather-resistant
- Wireless indoor chime included
- Compatible with iOS and Android for mobile access
- Easy to setup and operate - Set up your doorbell in minutes
- 12 months Warranty & Customer Support in India
